Every offered item meets the diameter, length, gauge, coating and end treatment stated in the Schedule of Items, and the standards named in the Amendment 0001 answers: AASHTO M 36 for the pipe and AASHTO M 218 for the metallic coating. Band quantities are quoted as written in the Schedule of Items. A manufacturer technical data sheet is enclosed, which Amendment 0001 confirms is sufficient technical documentation.

2. Delivery

All items will be delivered within 60 days after award, F.o.b. destination, to the Forest Service Yard, 900 North 1100 East, Price, UT 84501. Our answer to the delivery question in the Schedule of Items is Y. The load is approximately

25 short tons, so it will arrive in more than one truckload; Amendment 0001 confirms that multiple and partial shipments are acceptable within the 60 day window. We will telephone ahead of each shipment to agree the date and a window with the contracting officer representative, so that the gate is open and an offloading operator is present. Earlier delivery will be offered if the mill releases sooner.

3. Country of origin and Buy American

All items offered under CLIN 0001 through 0008 are domestic end products of the United States, as entered in the Country of Origin table on page 10 under 52.225-4, which Amendment 0001 confirms is the correct table. No Canadian origin product is offered on any line. The Buy American, Free Trade Agreements, Israeli Trade Act Certificate at 52.225-4 is completed on that basis.

4. Offer validity, amendments and registration

Prices are firm for 90 calendar days from the date set for receipt of offers. Amendments 0001 and 0002 are acknowledged and signed copies are enclosed. ISP GROUP LLC is actively registered in SAM.gov under UEI WA46PAMTYMQ7 and CAGE 217F4, including NAICS 331210, and will remain so through award.
